# BLANK SPACE

## Magic Madness Auction Bid

1. This is an offline event
2. The team should consist of 3 members.
3. Registrations will be considered on a First Come First serve basis.
4. Only the team lead should register on behalf of the team.
5. Everyone will be allotted 10,000 points at the beginning of this event.
6. Every team will take part in the war of bidding to win an opportunity to answer the question.
7. If the answer for that particular question is right, they would get the set amount of points allocated for that particular question.
8. If the answer they stated was wrong the amount of points they bid for that question will be deducted.
9. If the point reaches zero, then that team will be eliminated.
10. Exposing the answer or use of any electronic gadgets will result in elimination.
11. The team with the maximum number of points at the end of this event will be considered the winner and the second highest as the runner-up.
12. E-certificates will be provided for active participants.
